EXPERIENCE

Goal Track | Frontend developer

December 2024 – Present

- Utilized Swagger to document APIs, improving clarity and streamlining collaboration between front-end and back-end teams.
- Redesigned the UI for a more intuitive and modern user experience, ensuring accessibility and responsiveness with Tailwind CSS and Ant Design.
- Enhanced performance by 10%, optimizing page load speed and scalability to handle increased traffic efficiently.

Pasify | Frontend developer

September 2024 – November 2024

- Integrated NextAuth for seamless authentication and secured the platform with AES-256 encryption.
- Implemented a password generator, secure sharing, and data breach alerts to enhance security.
- Collaborated in code reviews, agile workflows, and Git-based development.
- Designed dynamic, responsive UIs with Tailwind CSS and Ant Design.

EDUCATION

Bachelor of Computer Engineering | 2019 – 2024
Shahrood University of Technology
